My Job at a Summer Camp, by Charlie Rose

Every year I work at a summer camp for kids and I really enjoy seeing the children do things they never thought they could do. Nearly all the kids know how to swim and play table-tennis before they come, but things like rock climbing are new experiences for most. Some of them are very nervous, but after a bit of encouragement, they agree to try and they all get to the top in the end, which makes them feel great.

The kids stay several weeks and some do miss home. You might expect it to be the really young ones who feel like that the most but it's actually the ten- to thirteen-year-olds. We don't let them use their mobile phones all the time. First we tell them they can phone home after lunch. Then when they ask again, usually after dinner, we say it's a bit too late to phone and suggest doing it the next day. Most children are fine in a couple of days and at the end of their stay, it's amazing how many come and thanks us because they have had a great time.

It's not just the children who get lonely. We get parents who are on the phone the whole time, asking how their child is getting on, which is quite unnecessary. Often their son or daughter will be busy, playing games or doing something else, so we have to tell parents to ring back another time.

Some kids arrive dressed in smart, designer, new clothes and they sometimes argue when we tell them to change into something they won't mind getting dirty, but before long they realise what we mean.

21 What is the writer trying to do in this text?

- A describe how children make friends at a summer camp
- B suggest how parents should choose a summer camp for children
- C explain what it is like for children at a summer camp

D advise children how to behave at a summer camp

22 What does the writer say about rock climbing at the camp?

A Some children already know how to do it.

B Some children prefer to swim or play table-tennis.

C Some children refuse to take part.

D Some children find it more enjoyable than they expected to.

23 What surprises the writer about the children who stay at the camp?

- A The youngest ones find it hard to be away from home.
- B They complain if they cannot phone their parents.
- C They miss meal times with their parents.
- D They seem grateful for their experience here.

24 What does the writer think about some parents?

- A They should visit their children instead of phoning them.
- B They don't need to keep on phoning the camp.
- C They shouldn't allow their children to bring phones to camp.
- D They need to be reminded to phone their children.

25 Which postcard might a child at the camp send home?

A

I was annoyed when they suggested I put on old jeans, but I guess they were right.

B

It's so unfair that everyone else can use their mobile phone, but they won't let me use mine.

C

I've made some good friends but we're all bored because there isn't much to do here.

D

I was really frightened every time we went rock climbing, so they let me do something else instead.

PART III/ MATCHING

In this part, you have to match five people to eight texts.

The people all want to attend a course. Read the descriptions of eight courses. Decide which course would be the most suitable for each person. For Questions 1-5, select the best course.

A - Form and Colour

This is year-long course is perfect for people who want to learn about how to use a camera and who want to take it up as a profession. Students will learn how to use light and shade, colour and different shapes. The course will also teach students to change their work using computer technology. Tips will be given on how best to get started in the profession.

B - Practice makes Perfect

Learn about how to use computer software to make your work life easier. This course is designed for people who use computers regularly as part of their career, but who feel they are unable to make the most of the technology. Learn about new software for storing documents and photographs and keeping records. This evening class runs for ten weeks from September to December.

C - Armchair Explorer

This is a series of daytime lectures by people who have lived and worked in wild places. Each of the six talks will focus on a different continent. Lecturers will show photographs of the animals and plants, and explain why they are only found in one area. Lecturers will include Leo Holland, a scientist from the Antarctic project, and Milly Oliphant, who researches birds in the Amazon rainforest. Tea and Biscuits provided.

D - Art Starter

Are you interested in a career in art? If so, this full-time, eight-week course will be perfect for you. Learn about different methods used by

artists, including painting, drawing, photography and computer design. Artists will create work for an exhibition which will be displayed in the Town Hall for one month in September. Top businessmen and women from the design industry will be invited to attend the exhibition, so this could be a great start to your career!

E - Wild Design

Whether you want a career in art, or you just want to enjoy your hobby, this holiday course is for you. Wild Design is a two-week summer course situated on the wild coast of South Wales. We teach all kinds of art, including photography and painting, and the wild sea, beautiful flowers and great wildlife will definitely give you lots of creative ideas. Even if you already have a good understanding of art, you are sure to learn something new from our team of professional tutors.

F - Explore your Imagination

Do you want to show your friends a photograph of you beside the Egyptian pyramids or in the jungles of Borneo? Well now you can tell your friends that you have travelled the world without actually leaving the country! Join this evening class and learn how to use the latest technology and software to change photographs to a professional standard. You will also learn how to make your own computer designs using the computer programmes used by professionals.

G - Technology for You

Do you feel as if everyone is using a computer except you? Join in this five-day course and learn the basics. You'll learn how to store your personal files, send emails and use simple programmes to write and print letters. In the afternoons you will have the choice of either learning how to make Birthday Cards and other designs on a computer, or you can join our 'Basic computers for Work' class.

H - Wildlife Photographer

Travel to a different wild place every week and learn how to take photographs of animals, plants and scenery. Our expert teachers will advise you how to take the best pictures. This course will run for six weeks on Saturdays. Students should already have a good understanding of photography and their own equipment. The class is suitable for everyone, as there is very little walking involved.
